Important Information About Casting & Commitment

Every role in *The Nutcracker* is a vital part of the production and a valuable opportunity for growth, performance experience, and being part of something magical. Whether it's your dancer's first time on stage or they've performed for years, we believe in the importance of making the most of the role they are offered.

Casting is done with great care and intention, taking into account the needs of the production as well as each dancer's strengths and opportunities for development. Every role—big or small—is essential to the success of the performance and contributes to the storytelling and stage magic we create together.

We understand that dancers may have hopes for certain parts, but part of participating in a professional-level production is learning to embrace the role you're given with enthusiasm, professionalism, and a positive attitude. In fact, some of the greatest growth as a performer happens in roles you may not expect.

Please note:

Dancers who withdraw **after rehearsals begin** may be charged a **re-casting fee of \$30.00**, as late dropouts significantly disrupt the rehearsal process and impact fellow cast members.

Production Fees:

(1) One Role: \$175.00

(2) Two Roles: \$250.00

(3) Three Role: \$299.00

The production fee helps make *The Nutcracker* possible and ensures a high-quality experience for every dancer. It includes:

- All rehearsals with professional instruction and Artistic Staff
- Costume fittings, rentals, and cleaning fees
- Theatre dress rehearsals to ensure the dancers are comfortable and ready for the stage.
- A commemorative Nutcracker T-shirt for each dancer

If casted the production fee will be due on **Saturday, September 20th**. This fee supports not only your dancer's role, but also the many behind-the-scenes elements that bring the magic of *The Nutcracker* to life!
